

During September 2016, Chris de Aboitiz from Sup Dog Oz will be visiting SoCal, fostering a dog with Surf City Surf Dog event charity partners SCGRR , conducting a variety of dog behavior and SUP workshops, and participating in the SUP Human/Dog Tandem heat.

"It is great to be fostering a dog in Southern California with the SCGRR team. "I'm looking forward to bonding with my new dog mate and demonstrating how to understand dog behavior, and how to provide exercise and structure through outdoor adventures. I'm really stoked to be in the USA participating in Surf City Surf Dog Event" says Chris.
